

Since 2006, the Knights have raised over \$3000 per event for the White Rose Pro-Life Initiatives by selling brisket meals, including two pounds of brisket, beans, rolls, sauce and potato salad, to parishioners, throughout a 2 designated weekends per year.

This event, headed by Jeff Vaughn and Greg Muse, produces over 1800 pounds of brisket over each weekend on Greg's 100-brisket smoker. Knights who have helped Greg man the smoker include: Jim Wagner, Bill Morris, Tony Rausch, Bill Baumler, Lupe Rodriguez, Jeff Gomez, Tony Migyanka, Hank Martin, as well as several others.

In August 2007, we designed, funded and built a shrine on church property for the adoration of Our Lady of Schoenstatt, a ministry of St. Ann.

Barry Willett oversaw all aspects of the construction, and Tom Bailey, Gary Schafermann, Paul Bladl, Nick Bassi, and Larry Moman lent their building skills in completing the shrine.
