

Since 2007, the Knights of St. Ann Parish have supported the Christian Community Action Christmas Angels Program.

Several Knights volunteer their time during the Christmas Season to collect toys at Grapevine Mills Mall and deliver them to the CCA warehouse in Lewisville, TX. At the warehouse, the CCA employees and volunteers package and deliver the toys to the CCA Christmas Toy store where they are later given to families in need.

At the end of the Christmas Season, the Knights disassemble the Christmas tree at the mall and return the tree with the final toy drop off at CCA in Lewisville.

The CCA Christmas Angels Program serves over 6,000 children annually in the North Texas Area.
