

Any one of the hundreds of parishioners that attend the "Pancake Breakfast" on the last Sunday of any given month are treated to much more than just pancakes. The 20 or so Knights prepare and serve the parishioners scrambled eggs, sausage links, hash browns, biscuits & gravy, grits, and yes....pancakes - plain & chocolate chip.

This monthly event not only brings parishioners together in the spirit of fellowship, but also serves as a fundraiser to support other K of C charitable activities.

Over and above this monthly event, the Knights on occasion will utilize the pancake breakfast to raise money for others in need outside of the immediate parish community.

In September 2005, the Knights of Council 10245 donated the funds raised by our Sunday after-Mass Pancake Breakfast to Knights of Columbus Councils in Katrina-stricken Louisiana and Mississippi to help families that had lost everything in the hurricane.

Barry Willett, Bill Baumler, Paul Bladl, Walt McGough, Jim Wagner, Jim Pawlek, Mark Grommesh, Emmett Kennedy, Dave Schoff, Glenn Hedry, Tony Rausch and others oversaw a huge turnout that raised \$1500 at this event.

In December of every year, the Knights of St. Ann Parish volunteer their time, talent and treasure to make breakfast for parishioners in which all donations collected are given to the Sisters in Christ. Turnout by Knights and parishioners alike is very high. Approximately 20 Knights volunteer to cook, clean, and serve for those in attendance.
